Dear Students,

**Please reply to this email, just one time, no later than Sunday, November 28, being sure to attach a PDF file containing your text mining work for Week 14 of the semester. (The second half of your Chapter 7, whichever edition of the book, will do nicely!)**

Here are the places to look for the initial specification of the assignment, should you wish to take a look ...

I have attached my work for this week. Due to confusion as discussed in Monday's class, I wound up doing the section on applications as that was the section title for Weeks 13 and 14. I chose to continue that section for this assignment. Please let me know if you have any trouble accessing this.

Thank you,  
Jackson Phillips
