Hi Professor Graci,
I am sorry for the tardiness of my submission. It was simply poor planning on my part, and I understand if it cannot be accepted for full credit, however, I wanted to make sure that I completed the quotes and summary to the best of my ability. I will take this as a sign that I need to learn to manage my time better and not wait until the last minute to finish assignments. On a different note, I am very much enjoying this class and the book and text mining activity. I am finding a lot of great insight and ideas in it that are quite intriguing to me!
Thank you for your time, as always.
