
((Partial template)) GP - GEB Problem Set: The MIU-system

Name: ...

Abstract: This problem set is based on Chapter 1 of Hofstadter's GEB. In this chapter DRH presents his first Post Production System, the MIU-System.

The 25 Questions and Answers

1. What, does Hofstadter claim, is one of the most central notions running through GEB?

Answer

2. Who invented the sort of formal system that Hofstadter features in his book (the sort of system that the MIU-system exemplifies), and when did this invention take place?

Answer

...
