Csc344 Exam 2 Structure

Name →

Instructions

1. Write your answers to each of the questions in the "Answer Areas" provided.
2. You may turn in your exam before the 60 minute mark, but should you still be working on the exam after 60 minutes, you will need to turn it in promptly, silently, when you are asked to do so.
3. No cognitive artifacts are allowed (notes, papers, phones, machines, or anything of the kind).
4. No communication of any sort is allowed with another human, including your professor.
